

Process Monitoring...Beyond Smart

We promised you something big when we launched SmartDRY Intelligent Dry Storage and didn't disappoint. Now, ECD brings you a brand new innovation that upends everything you thought you knew about process monitoring, analysis and control. The latest from ECD offers:

- DYNAMIC MEASUREMENT CAPABILITIES
- INDUSTRY 4.0+
- AUTOMATED THERMAL PROFILING
- FULL-FEATURED TRACEABILITY
- CONTINUOUS QUALITY MONITORING

Visit our team at Productronica and get a first look at what is certain to have a huge impact on your product quality and bottom line. It's beyond smart...it's genius™!
