

Invitation to visit SMT 2017 15. - 18. May in Nuremberg

Dear Sir or Madam,
we would like to see you!
In fact at the **SMT in Nuremberg**. You are cordially
invited to visit us in **hall 4a at stand 126**.

For more than 40 years SPEA has experience in testing
electronic components and since 1976 SPEA has been
offering innovative solutions and test systems.
From **15. - 18. May** the following highlights from our
product range will be exposed:

- **Flying Probe-Tester:** SPEA 4050 and our latest model SPEA 4080 with 8 probes. SPEA Flying Probe Systems guarantee highest test speed by unique system architecture with linear motor drives for all movement planes (X, Y, Z).
- **Nadelbett-Tester:** SPEA 3030 Inline - The test system with highest test speed and fault coverage for all range of testing, modular and flexible upgradable.
- **COMPASS:** Our software for repair support, analysis and process optimization.

We reserved a ticket for you. Please send an email to Ms Sommer (sommer@spea-ate.de) or call +49 (0)6404-697-0 in order to obtain your personal registration number.

We are looking forward to seeing you!

*Sincerely,
your SPEA-Team*
