## Viscom Technology Forum on June 05 and 06, 2019, in Hanover

**The rising number of visitors prove that again in 2019, this annual event is a must-see:**

High-level speakers and leading experts deliver all the important facts about relevant trends, provide valuable insights into practical solutions and during live demonstrations, introduce pioneering innovations in inspection technology for you, a decision maker in electronics manufacturing. Central and individual questions will be discussed in a comprehensive offering of workshops. Network among equals in a relaxed and modern ambience, including complete accommodations. We look forward to your participation in 2019!

Viscom   
**Technology Forum**
